An Evening of Faith & Community...

Plans are underway for an exciting inter-generational offering Monday Evenings in July at Saint Mark. We hope you will make plans to be part of these evenings as you are able. Please note that we anticipate that some people will not be able to be at all events. Because the evening begins with a light supper at 6PM, it would be helpful to know which dates will work for you!

Each evening we will explore the message within the stained glass windows at Saint Mark. The theme will be carried through meal, songs, activities, crafts and brief lesson. We will end each Monday with a wind-down "bedtime" story around 8:00PM.

JULY 1 *Saints, Symbols, & Stained Glass*

JULY 8 *Parables of Jesus*

JULY 15 *Miracles of Jesus*

JULY 22 *Passion of Christ*

JULY 29 *Called and Sent*

Donations to offset food costs are appreciated. Other program costs are supported through our ministry offerings.
